### Venue Description

The Eric Liddell Community is a registered charity. The core work of the Eric Liddell Community is a specialist day-care service for people with a diagnosis of dementia and a variety of projects which offers services for carers.

### What makes this venue special?

Your booking helps us run our community services, while at the same time your performance is held in a lovely historic building with all modern amenities close to the heart of the city. The building is an old church building extensively modified to meet the needs of the community. The stained glass windows were fully restored by Historic Scotland in 2008 and are a beautiful collection by important 19th and early 20th-century artists.
